City Police Give Warning
As Forgers Plague Firms

By Stan Burke
Editorial Staff Reporter

Shiek-talking, smooth-writing forgers every month fleece Edmonton businessmen out of thousands of dollars. In June, they netted \$6,000 and the haul this month is expected to be almost as great.

U.S. Senate Backs Alaska Railway Plan

WASHINGTON, July 29.—(AP)—The Senate Foreign Relations Committee today backed a move to build a 1,300-mile railroad to link Alaska, Canada, and the United States.

The committee approved a resolution asking the president to open negotiations with Canada for a study of the project. Senator Warren Magnuson (Dem., Wash.), sponsor of the resolution, said the rail line would help bolster Alaskan defense.

A similar proposal passed the Senate last year but failed to get House of Representatives approval. In the final, the resolution authorized the president to be authorized to co-operate with the Canadian government on surveys and studies. The railroad would run from Prince George in British Columbia to connect with the Alaskan railroad at Fairbanks. The American Railway system would be tied into the Canadian-Alaskan link by a connection at Vancouver with the Canadian Pacific Railway and the Pacific Great Eastern Railway.

British Press Cool to Plan

LONDON, July 29.—(Reuters)—The British press did not take kindly to last night's decision by the House of Commons to back the Government in urging the president voluntarily to set up a press council to control its standards.

Herbert Morrison, Deputy Prime Minister, who led the government's side in the Commons debate on the recent Royal Commission on the press, was criticized by the independent Daily Express as a man who "thinks there is too much freedom in Britain." The Express accused Morrison of trying to "throw a cloak of general respectability over the murky origins of this black on traditional British liberties."

The Conservative Daily Telegraph said that a government-appointed press council, equipped with the suggested powers, might lead to that state control of the press which the commission's report repudiated.

The Conservative Yorkshire Post said that a press council would be "superfluous" and said that such a council "might too easily become a nerve center through which different interests would try to supply pressure on newspapers."

WRONG WASHDAY was blamed Wednesday by Mrs. James Lushinski of Worcester, Mass., when her washing was caught in this warehouse fire. Flames leaped 80 feet in the air, swept the rear of the warehouse, spread to a truck and then swept up along the side of a three-story tenement.

WINNER TAKES DELIVERY It didn't take long to locate A. V. Melin of Canyon Creek after news got around he had won Edmonton Labor Temple Co's limerick contest and grand prize of a new sedan. Poet Melin should well become lyrical behind wheel of this sleek limousine, keys of which he is being handed by president Herbert G. Turner of Alberta Federation of Labor.

Housing Reform Hint Follows Ottawa Meet

OTTAWA, July 29.—(CP)—Within the next two or three weeks there should be tangible evidence of federal housing plans arising from a series of conferences with provincial and civic authorities, it was indicated reliably last night.

The day brought these developments:

1. Separate talks between Reconstruction Minister Winters and Premier Johnson of British Columbia and a Toronto board of control delegation headed by Mayor Hiram McCallum.

2. Announcement that Mr. Winters, the cabinet's housing spokesman, will meet Premier Frost of Ontario in Toronto Aug. 8. He discussed all phases of Ontario's housing program.
3. A call from the Community Planning Association for a subcommittee of federal, provincial and municipal officials as the only solution to the nationwide shortage.

Premier Johnston said afterwards he and the Reconstruction Minister "had a general discussion about housing but there was nothing specific he could say about the meeting."

He will be followed tomorrow by Ontario Minister of Municipal Affairs in conferences arising from federal official statements of Mr. Winters that Ottawa has sought provincial proposals and is willing to give financial assistance to those it finds acceptable.

Mayor McCallum said the Winters-Frost conference in Toronto at the prior request of what he told reporters he hopes will be action soon to meet Toronto's shortage of 15,000 homes.

Bulletin Brings Readers Book on Confident Living

Are you happy?
Are you a success?

Dr. Norman Vincent Peale, noted Protestant clergyman, explains religion and psychology to obtain dramatic results as a pastor and bring happiness and success to thousands.

Among his writings is a recent book, "A Guide to Confident Living," which is based on Dr. Peale's theory that a healthy, confident, happy man must have faith.

A condensation of the book is being published in the new Bulletin magazine Tuesday, Aug. 2. There will be 10 installments in the condensed series.

Much of Dr. Peale's work has been done as pastor of Marble Collegiate Church, New York City, since 1926. He has served as pastor since 1932.

FORGES LINK

He has forged a link between religion and psychology to gain happiness and success for thousands. Thousands of people have come to his church for help at his psychic.

Boy Wonder Drops Golf Semi-Final

Remaining Yank
Tops Youthful
Vancouverite

SAINT JOHN, N.B., July 29.—(CP)—Dick Chapman of Oosterville, Mass., today defeated 16-year-old Laurie Roland of Vancouver one-up in their semi-final match of the Canadian Amateur Golf championships.

In the second semi-final match between Phil Farley of Toronto and Montreal's Tommy Riddell (who upset Frank Niekirk), playing the first hole, Farley was three up after having the tie 130 with Riddell.

Chapman went into the lead for the first time today at the 21st hole. Down three after the morning 15-hole round, Chapman finished the match at the 26th with a birdie two and then won the 27th. Chapman went two up at the 28th winning it with a one-over par four. His drive was to the right and he pitched to the green with his tee shot and his second hit a rock. He was on in three and needed two putts.

Roland won the 29th, Chapman's approach was short and his pitch was six feet to the left of the flag. They had the tie at par four.

Chapman went two up at the 30th. He took three to get on the green and then sank a 12-foot putt for a par. Roland, trying a three-foot putt for a half, missed it and needed a five to get down.

They had the tie at par four. The 32nd was also missed. Chapman, his putter getting hot in the afternoon, sank a 10-foot putt and Roland was down with his 2nd four.

Chapman won the 33rd leaving Roland with a 12-foot putt for a par. Roland missed it and needed a five to get down.

Chapman ran down a 15-footer at the 34th to win the hole with a birdie. He had a 10-foot putt for a par but missed it. The match was down to Roland who got into trouble and needed a big six.

Chapman won the 35th and the match.

Young Reardon, who was told from the top of a school when he was moving to a new location.

Joe Nelson, 22, broke his neck yesterday afternoon about 4:30 when he slipped from the end of the school.

Reardon in Edmonton received a leg and arm injury but had no details.

Dr. G. E. Horsch of Lacrosse is coming.

There was no rain here yesterday for the first time in a week. Weather forecasters expect precipitation in the Edmonton district for the next 24 hours.

Humid today, 10 to 15 with a few showers. Temperatures will be much the same as yesterday with an expected high of 75.

Winds will be south at 15. Little rain was reported, and where in the prairie yesterday.

Total rain for July stands now at 4.81 inches.

Peron Picked For 3rd Term

BUENOS AIRES, July 29.—(AP)—Following decades of the Peronist party today proclaimed Juan Domingo Peron the candidate for reelection to the presidency in 1952. Despite his recent imprisonment that he did not feel bound to resign.

A resolution proclaiming Peron was adopted unanimously at the Peronist congress in Buenos Aires.

A meeting of Peronist congress was organized two years ago to make a president eligible in consecutive terms.

MEAN THIEF STEALS BUSH FROM GRAVE

ROCKY MOUNTAIN HOUSE, July 29.—Rocky has the message that in the world, the person who stole a rosebush from grave of Jacob Peterson.

Mr. Peterson died a year ago at the age of 101.

His only living relative in North America, V. Laska of Athabasca, sent a rosebush to his hill and asked him to place it on Mr. Peterson's grave.

Mr. Hill did not and went away about a week to care for the bush and the grave.

This week he found someone had stolen the bush, which was in full bloom.

By The Canadian Press

The total of poliomyelitis cases in Canada rose to 382 this week with 16 deaths, according to a Canadian Press survey today showed Ontario for ahead of the other provinces.

Ontario had 131 cases, compared with 83 cases in this time last year. Quebec had 96 cases, British Columbia 47, Manitoba 16, Alberta 11, Saskatchewan five and Nova Scotia three. Newfoundland, Prince Edward Island and New Brunswick so far have escaped the disease.

Deaths have been most numerous in Ontario, where 10 are reported. The police have also claimed four victims in Quebec, one in British Columbia, and one in Manitoba.

Complete figures were not available for comparative totals last year but some health officials believe the earlier outbreak this year is due to the late spring and early summer heat waves in central Canada.

Seven new cases reported in Montreal yesterday and four today brought that city's total to 68 with 10 deaths. In Quebec, 10 cases from outside the city are being treated in Montreal hospitals. There have been two deaths in this group.

In Toronto, there are 49 resident cases and 12 deaths. In British Columbia, 47 cases are reported in Vancouver.

Paddy Arnold Leads Women In Golf Play

Defending champion Miss Paddy Arnold of Calgary was one of the end of the 18-hole playoff mark in the final of the Alberta Golf Association women's tournament at Edmonton's Highlands course, the ladies' champion is among for her title prize of \$100.

Her opponent is Mrs. Olin Anderson of Calgary.

With the lady's first stroke lead Miss Arnold is definitely favored to come out the victor at the end of the 18-hole playoff.

The playoff took off at 2 p.m. on the second round.

First Dry Day In Week Here

There was no rain here yesterday for the first time in a week. Weather forecasters expect precipitation in the Edmonton district for the next 24 hours.

Humid today, 10 to 15 with a few showers. Temperatures will be much the same as yesterday with an expected high of 75.

Winds will be south at 15. Little rain was reported, and where in the prairie yesterday.

Total rain for July stands now at 4.81 inches.

Peron Picked For 3rd Term

Aged Suffer Many Coronary Attacks

TORONTO, July 29.—(CP)—A total of six Ontario deaths were attributed to eastern Canada's scorching heat wave which today gave signs of easing during the weekend.

Two sudden deaths were today those of Joseph Latta 66 and Mrs. Maudie Hughes 82, were attributed to heat. In addition, another man, William Fisher, 68, died of a heart attack that a coroner called a heat stroke.

THREE YESTERDAY

The heat spell which set in early this week has spread out until now it stretches from the Great Lakes to Cape Breton Island. Temperatures throughout that area have ranged from 85 degrees in some places to 90.

The heat may break with cool dry air moving slowly eastward from the prairies.

That's the word from the weather bureau, who said that the heat of both provinces should see temperatures dropping late today.

The heat spell which set in early this week has spread out until now it stretches from the Great Lakes to Cape Breton Island. Temperatures throughout that area have ranged from 85 degrees in some places to 90.

CAUSED DEATHS

The hot weather was held at least partly responsible for the death of Toronto's yesterday of three elderly women investigating coroners said the heat and humidity helped in bringing on attacks of coronary thrombosis.

Montreal weathermen blame the heat for three deaths of women which hit Quebec communities during the last 10 days. Papineauville, Three Rivers and St. John's in the Eastern Townships have seen by the "heatstroke." Experts say the death of three elderly women was touched off by the movement of air currents on sloping hills.

Another development traced to the hot weather is the rise of the grasshopper nuisance in Quebec. Agricultural experts announced yesterday that it has reached "epidemic proportions" in some areas.

In Toronto, where the temperature yesterday reached 90 degrees, swelling epidemics were diagnosed by news that two public beaches on the lake's Ontario waterfront had been temporarily closed by huge air attacks of mysterious origin.

Ten Killed

FIGHT ALGERIA, Night July 29.—(AP)—Ten persons killed and eight were severely injured yesterday when a truck dived off a mountain road near Algeria.

Five Texas Oil Firms Start Alta. Operations

CALGARY, July 29.—(CP)—Five U.S. oil firms based at Houston, Texas, will enter Alberta for exploration of the Wintering Hills district 30 miles east of Calgary. It was announced yesterday.

The firms involved are a 20-61-1 acre oil and gas concession held by Exxon, Petroleum Ltd. and its associates. The five firms are Exxon, Petroleum Ltd., and its associates. The five firms are Exxon, Petroleum Ltd., and its associates. The five firms are Exxon, Petroleum Ltd., and its associates.

CASH AGREEMENT

The firms have agreed to a cash agreement with the province of Alberta. The agreement is a cash agreement with the province of Alberta. The agreement is a cash agreement with the province of Alberta.

REDWATER OPERATION

Alcan. Ltd. has announced a cash agreement with the province of Alberta. The agreement is a cash agreement with the province of Alberta. The agreement is a cash agreement with the province of Alberta.

SOCIAL CALL by U.S. Vice-President Alben Barkley on St. Louis widow Mrs. Carleton S. Hadley, above, whom he met recently in Washington has aroused interest in capital circles. Barkley, 71, is a widower.

BUS PASSENGERS • RIDE BY THUMB

Passengers on the Winfield bus hitch hiked into Edmonton after being stranded in the mud between Wetaskiwin and Mameo.

SALT ON TAIL?

Bird Hunt With Bows Allowed

If you can hit a duck or partridge with a bow and arrow shot in Alberta it's O.K. by Provincial game branch officials.

That's the verdict of officials here when commenting on regulations recently passed in B.C. prohibiting the use of the bow and arrow for hunting wild game.

The B.C. regulations were passed despite strong protest from archers' clubs.

In Alberta the situation is different. Since the Red Man more or less disappeared from the plains out there very few people depend on their skill as archers to bring home a bird for dinner.

Game branch officials tried an experimental hunt some years ago with bows and arrows. The party came home empty-handed so it is now deemed that Alberta game birds are reasonable safe for the "darts and arrows" of our local archers. They can try and hit 'em if they can.

City Firemen Declare War

Fire Chief James Macgregor and his baseball squad of Edmonton firemen will be going away on a couple of weeks to beat the pants off the Calgary fire department.

Baseball game will climax a three-day fire prevention campaign in Calgary on Aug. 11 to 13. Campaign is an annual event, held first in Edmonton and then in Edmonton each year.

Members of the city fire department will travel around to take part in exhibitions of equipment, movies, public displays, and a firefighting competition in the three-day drive.

But as far as baseball is concerned, Edmonton is going to win. Chief Macgregor is going to Calgary on Aug. 13 to root for his boys.

Head the chief today: "We hold the cup now, Calgary took it off us a couple of years ago, but they'll never get it back."

Plea Reversed When Drastic Penalty Asked

A city trucking company faces a possible one month suspension of licenses of all its trucks as a result of court charges under highway loading laws.

James and Reimer Ltd., represented by Garth Edgar, at first pleaded guilty to R.C.M.P. court yesterday to seven charges of overloading.

Later the company was permitted to reverse its plea and was granted a remand until Aug. 4.

Prosecutor Guy Beaudry asked for a suspension of license plates of the seven trucks in operation by the company, because of previous offences.

The defence was allowed to withdraw plea in view of the heavier punishment. The usual penalty is a \$12 fine.

Mayor Blames Ottawa For Road Grader Lack

Ottawa has rebuffed Edmonton for the second time in the city's attempt to import United States road grading equipment which Mayor H. D. Ainlay says is necessary to carry out the city's road building program.

"The engineering department is not satisfied with Canadian graders, since they don't stand up to the heavy work we want them to do," the mayor says.

Twice the city has applied to the Import Control Board for permission to purchase a specific type of United States grader. Latest objection arrived from Ottawa July 15 saying the application had not sufficient basis.

"Those who are critical of city progress on road building should realize that we are definitely short of graders," says Mayor Ainlay.

A MRS. BUFFALO BILL, TOO

Buffalo-Hunters Hunt Locates Eight Plainsmen

Alberta still has plenty of Buffalo Bills and they're not all men.

Historical Society of Alberta started a search last week for old-time buffalo hunters. Officials were worried there would be none left. But they found one young they could be.

Hunters are wanted to attend meeting of Elk Island Park and new buffalo camp on Labor Day.

There has been a good response in the request for buffalo hunters, with nine former hun-

ters located already, one of them a woman.

She is Mrs. Victoria Catholon of Gunn.

An American, Charlie Smith, of Poplar Reserve, Montana, has sent in his name.

Fred W. Chase of Edmonton, Frank Louder, of Camrose, and Strathairn, of Hobbema, and George Bell of Aitah are the Alton hunters showing up to date.

Bel is a former Texan who

AUXILIARY CHURCH for Sacred Heart parish was started yesterday when Most Rev. John Hugh MacDonald, archbishop of Edmonton, turned first sod at church site. To cost \$100,000, frame and stucco building will serve as auxiliary until a new parish is established. Church will be ready by next St. Patrick's Day.

Motorcyclist Hurt In Street Crash Here

Adolph Smith, 3239 105 avenue was taken to a hospital here when the motorcycle on which he was a passenger collided with a car at 95 street and 110A avenue last night. He was rushed to the Royal Alexandra hospital in a city ambulance, where he was found suffering from a broken leg.

Driver of the motorcycle was said to be Ralph H. Young, 9516 107 avenue who told police he was going north on 95 street. A car came into the intersection from the west and he struck the right side of the motorcycle.

Shelia Smith, 9610 110A avenue, said she was driving east on 110 avenue and did not see the bike until it was into the intersection.

Damage exceeded \$75. The right side of car was damaged and the front of the motorcycle badly smashed.

Seven Is Lucky In This Case

Seven years, usually given over such things as bad luck means just the opposite as far as the congregation of Metropolitan United Church are concerned.

Just seven years ago the church at 83 avenue and 100 street went up in flames. New Year's Day fire caused \$70,000 damage.

Today the church is taking on a brand new look. It's being altered.

The resurfacing job marks the end of seven years hard work on the part of the congregation.

Already the building committee is planning construction of a church hall adjoining the main building. It is hoped that construction will get under way next summer.

Present minister of the church is Rev. R. E. Vinand. He recently succeeded Rev. H. McKenna Thompson who retired after 10 years as minister of the church.

Another Polio Case Found

Poliovirus cases in Alberta increased today to 12 for the year with diagnosis of the type of a 19 year old male at Medicine Hat.

Provincial health authorities stated the disease is very mild and does not cause paralysis.

At the end of July 1948 there had been 41 cases and last October there have been 60 deaths in the last year.

It was announced at Calgary that two suspected cases have been brought to hospital there with a case expected to arrive later in the day.

assisted in assembling the buffalo herd later purchased by the Alberta Government.

Two Saskatchewan men, J. O'Rourke of Chiswick and Thomas Wainwright of Hatfield, Alberta, have also sent in their qualifications as buffalo hunters.

Agnes M. Smith, of Hobbema, and George Bell of Aitah are the Alton hunters showing up to date.

Jamboree Slated For CQers Here

Amateur Radio Operators Will Hold Code Contests

Alberta Amateur radio operators will stage the fourth annual provincial jamboree in Edmonton tomorrow and Sunday with 175 expected to attend.

The "hobby" will gather at the Masonic Temple to discuss all phases and features of the hobby.

Tomorrow afternoon session will be featured by an interesting radio display demonstration arranged by R.C.S. personnel in Edmonton.

There will be a code contest and the showing of a film strip on American Radio Relay League activities.

And Jones will lead a discussion on Alberta Radio Relay League activities.

Northern Alberta Radio Club will officially preside at the annual banquet and dance Saturday evening.

There is a special program to follow after dinner for wives of participating delegates. There will be a shopping tour, special show and tea for the women guests.

PARK PICNIC
On Sunday morning delegates will visit army and air force cadet installations to be followed by a special picnic in Elk Island Park in the afternoon.

Annual jamboree game between Edmonton and Calgary teams will be a feature of the picnic.

Amateur radio operators are expected to take advantage this year of Department of Transport regulations which permit licensed radio amateurs to install and operate portable radio equipment in their cars.

Biting Officer Proves Costly

Bazil Krasilek, 3029 106A avenue, who while "fighting drunks" was said to have bitten and struck an officer was fined \$40 in police court today.

Constable G. Vandekerkhoff testified that he apprehended the accused following a fight at 96 street and 106 avenue last night.

The accused was obliged to hold him to be taken to the police station. The policeman showed the court marks on the back of his hand, made when the accused bit him.

Accused told the court he was drunk and could recall nothing about the fight.

Fraud Charges Remanded

Barrie McKee of Edmonton, reversed his plea and election in police court today when he was faced with four charges of fraud, preference and one of passing a forged cheque.

He is remanded by Magistrate Alfred Simpson until Aug. 5 and his bail was set at \$2500.

It was stated that McKee had from July 13 to 27 obtained \$152 by passing worthless cheques in the name of his bank.

He was charged with obtaining \$40 through passing a forged cheque.

ROAD SAFETY DRIVE PLANNED FOR CITY

Plans for an intensive one or two week traffic safety campaign are being formulated by Edmonton Chamber of Commerce, in co-operation with Edmonton Safety Council, city police officials, and Alberta Motor Association.

Purpose of the drive will be to overcome indifference and disregard for safety evident on the part of so many Edmonton motorists and pedestrians, Chamber Secretary Don McKay says.

Mr. McKay suggests the safety drive will include daily news coverage, radio spots, posters and sound trucks for caution people on the streets.

Bill Hawerlak yesterday laid the proposal before the Chamber council, which authorized its traffic committee to forge ahead in co-operation with other interested groups.

Grain Inspection Fee Increase To Be Light

Increased fees to be charged after Aug. 1 by Canadian Board of Grain Commissioners for inspection of grain will have little effect on individual Alberta farmers.

This was the view expressed today by Deputy Agriculture Minister J. S. Lundy.

He was commenting on the announcement of the Federal Grain Commissioners that inspection fees will be increased from one to two dollars for grain sampled and inspected in elevated lots after Aug. 1.

Fees will be increased by the same rate per 1000 bushels for grain inspected in delivery at elevators.

Change increases the total in shipping and weighing charges of grain delivered to terminal elevators from one to three dollars per car load of grain. Shipment of terminals from two to three dollars per thousand bushels or 50 per cent.

Mr. Lundy said the increased fees will be paid by the farmer, the individual farmer because of increase in the size of grain cars in recent years.

They end less. They can't be operated. They are easy to park, easy to drive in heavy traffic.

Ask body repairer and see because, unlike larger cars, fenders and other parts are fitted separately and can be replaced without having to purchase whole body parts.

In June, British automobile exports to Canada totaled \$422,000.

PARK GETS CLAN TOUCH ON SUNDAY

Elk Island band shell will be shaking with the skill of the pipes and the haunting tones of Highland lasses next Sunday.

With Miss Betty Cairney's killed lasses dancing the dances of the gold land and Violet Cummings lending her contralto voice to Scottish airs, the park will be a joy place indeed.

To add to the entertainment, the National Film Board, in co-operation with the provincial government's cultural activities branch, will screen the story of the Ladies of Field, "A Mile Below the Wind".

Musical Victor Herbert will be heard during the recorded supper hour concert.

Civic officials expect to decide today whether to retain the service of golf course architect Gordon Thompson in connection with layout of the new municipal golf course.

Mr. Thompson and A. W. Hadley, city development engineer, inspected the site of the new course this morning, and Mayor H. D. Ainlay said the city will decide today whether to ask Mr. Thompson for preliminary plans.

Present plans have been drawn up by Mr. Hadley, who has an intimate knowledge of the area, and the mayor today decided provision for what Mr. Hadley considers the best course, together with park and recreational areas similar to the existing municipal golf course.

"What we must decide" said the mayor, "is whether it is worth additional expense to have Mr. Thompson's name attached to the new municipal course."

Present plans have been drawn up by Mr. Hadley, who has an intimate knowledge of the area, and the mayor today decided provision for what Mr. Hadley considers the best course, together with park and recreational areas similar to the existing municipal golf course.

Varied Loot Obtained In Thefts

Thieves collected a speedometer, 16 gallons of gasoline, a top coat, two bags and a camera in various thefts over the city last night.

A speedometer was stolen from the side of a motorcycle parked at South Side Shop, 1026 97 street, yesterday morning.

E. Neil, 1927 96 street reported to police the theft of 16 gallons of gasoline from his truck parked in front of his home. Theft occurred sometime last night. Neil said over 15 gallons of gasoline had been stolen from this same truck during the past month.

Theft of a top coat and club bag valued at \$10 was reported by Gordon Adam, 9275 101A avenue, from the Olympic Pool, 101 street and Jasper. Adam said he noticed the articles missing while he was playing pool at 7:30 last night.

Thieves broke into the car of George James, 1927 96 street last night and stole a brief case and a camera. The car was at the above address at time of theft. A window had been forced to make entry.

Boys Blamed In Theft Try

Two attempts at breaking and entry were frustrated yesterday afternoon by two juvenile suspects in this case.

An attempt was made to enter the Northern Nash Ltd., 18 and Jasper, early yesterday morning. A window had been forced.

The two juveniles who were caught from the South Side Shop Home on Wednesday afternoon are being sought in connection with this attempt.

Five men attempted to enter the premises of Mr. James, 1018 American Air Base, late last night. Mrs. Young, was aroused by the men who used abusive language.

They were finally chased away by a neighbor. None of the men was apprehended.

Walkie-Talkie Won In Fair-Walk Game

Because she a good guesser, Doug E. Davies is walking around with a portable radio these days.

When the radio "walkie-talkie" by passing the number of miles a car travelled in a single during exhibition week.

The two fair games the display of Myers Flour Mills in the Main-entrance Building.

Myers Flour Mills' game was 574 miles.

Cloth, Footwear Prices • Cut 5 Per Cent in U.K.

LONDON, July 29—(CP)—Britain yesterday moved to knock a shilling in the pound off retail prices of utility clothing, footwear and textiles.

Hawaii To Take Over Stevedoring

HONOLULU, T.H. July 29—(UP)—Hawaiian legislators predicted today a bill empowering Gov. Ingram Mainland to establish a Territorial Stevedoring Agency will be ready for his signature by tomorrow.

Attorney General Walter Ackerman was instructed to draw up the measure after its provisions had been informally approved by a special session of the legislature. Leaders of the striking International Longshoremen and Warehousemen's Union (CIO) said mainland dockworkers have vowed to boycott any cargo the agency handles.

Legislative legal advisers said the agency would be protected from secondary boycotts under the terms of the Taft-Hartley Law. The bill would permit the territorial government to operate the island's strikebound docks as long as the present walkout, now in its 90th day, continued.

Expert Says Assurance Firm's Balance Wrong

CALGARY, July 29—(CP)—James L. Williamson, an insurance agent employed to examine the files of the defunct Home Assurance Company, testified yesterday that the company's 1947 balance sheet showed outstanding claims to be only about one-tenth of the actual figure.

Williamson, called as a crown witness in the trial of George A. Wilson, former company manager charged with misrepresenting the firm's 1947 financial position, estimated the company's outstanding claims for 1947 at \$260,939 as against \$30,530 shown on the balance sheet.

He said that if the \$260,939 had been shown on the balance sheet the company could not have been regarded as solvent. J. B. Wilson, a shareholder and director of the company, told the court he was present at the annual meeting at which the balance sheet was presented. It was accepted without discussion, he said. Mr. Wilson said he believed the defendant and other directors are honest men and that no false statements were issued by George Wilson.

British To Boost Japanese Trade

TOKYO, July 29—Reuters—The sterling area will aim at increasing its trade with Japan next year without sacrificing dollars. Alan Gilbert, a representative of the British Board of Trade, said yesterday on his arrival here. He will take part in talks for a new trade agreement between the commonwealth and Japan.

RINGS ON HIS FINGERS and six feet of hair in stylish bun on top of his head, Jack Scott is booked as suspicious character in Atlanta, Ga. Checking his pockets, police found among other items: bank book showing deposit of \$9,000 cash; \$200 cash; firecracker package labeled; green necktie; wad of chewing gum; several Denver, Colo. street-car transfers; and one playing card.

Cost of Mutton, Lamb Too Steep for Canada

OTTAWA, July 28—(CP)—Less than five per cent of the 145 pounds of meat the average Canadian ate last year came from sheep. There's little chance of this proportion increasing.

It won't increase, livestock experts say, unless prices come down. And if prices come down, Canada's sheep and lamb population will probably come down even faster than it's been dropping since the end of the war.

Five Mattawa Wells Reported Unfit For Use

TORONTO, July 29—(CP)—Health Minister Kelly of Ontario said today that in five of 12 wells tested in the Northern Ontario lumbering town of Mattawa "sulfuric contamination was found in class three as unfit for domestic use."

His statement was based on a report from representatives of the provincial department of health who investigated an outbreak of dysentery, reported to have taken the lives of 12 infants in the town and district.

Meanwhile it was learned at the Hospital for Sick Children that seven of the eight babies brought here from Mattawa for treatment are making a good recovery. The eighth is still listed as "critical" but showed improvement today.

Canada's Military Obligation Hinted

Structure Of New Services Based On Pact Discussions

OTTAWA, July 29—(CP)—A growing Canadian emphasis on air fighter strength, a trend arising from continental defence strategy, was indicated today in an analysis of the expanding forces Canada will put behind Atlantic Pact obligations.

The regular forces, now 41,000 or 10 planes each, two of eight, all strong and still recruiting, are a calculated and important factor in the current discussions leading to decision about what each of the 12 member nations will contribute in post strength.

ROLE OBSCURE
It is not yet clear just what role Canada will play but her forces certainly have their implications in the preliminary thinking.

The record defence budget presented this spring to parliament established the RCAF for the first time as the top spending service. This trend probably will be more pronounced next year.

The air force still has no bomber strength but has established its first fighter squadron, will have another this year and more later. It is them eventually coming under an overall field organization now in the planning stage.

This emphasis on fighters runs through the 10 frontline reserve or auxiliary units, most of them fighters, and is implied in current use of British Vampires planes to produce the American F-86 and to produce an all-Canadian aircraft, a long-range, all-weather fighter.

OTHER ACTIVITIES

It is working at radar defenses has seven non-fighter regular squadrons including Transport, Photographic, Tactical, as well as other smaller units. Plans call for a three-squadron tactical wing to support army operations.

The army has 19,000 regulars 27,000 in the reserves. Its planning centres on an airborne brigade group of some 2,000 men including three battalions of infantry, one of tanks and one armored reconnaissance unit.

The first of the three infantry battalions has finished airborne training but it will probably be next year before the brigade goes into action as such.

SIX DIVISIONS

Officials talk of mobilization of six divisions in emergency with the great bulk of the men coming from civilian life.

The navy, with 1,000 of its 8,800 regulars in its new fleet as armoured ships, will be able to concentrate on air fighter strength with four fighter squadrons, two now in active service.

PERT PARADE occurred when candidates for "Miss Washington" paraded down streets of capital city doing their bit for traffic safety. But warning went unheeded as male passersby paid more attention to them than to sign. Even cop takes glances instead of watching traffic.

4 Compounds Deter Cancer

MONTREAL, July 29—(CP)—Leading Canadian cancer specialists reported at a conference here today that new studies are being made in treatment and control of the disease through four chemical agents in the experimental stage since the Second World War—urethane, nitrogen mustard, aminopterin and leucovorin.

Dr. Carleton B. Pearce, professor of radiology at McGill University and conference chairman, said compounds, used in combination with X-ray and radium treatment are bringing good results in control of difficult cancers of the internal organs.

Sombody Impressed

BOSTON, (CP)—Among choice of unclaimed parcel post matter items auctioned off in a disposal were a horse collar at \$5.50 and an illuminated barber pole at \$5.

Just beyond San Diego, Mission in Mission Valley is the first dam and irrigation system created by white settlers in the west.

IT'S A PIPE says William D. Royce, a Bowling Green (Ohio) State University junior, and one of seven-man crew cleaning out sewer pipes at Bay Village, O. It was so nice and cool in pipe, Royce said for \$25 he would stay all night. Two pals Timothy Astery and Thomas Hill took him up on it. Royce won by staying in lair from 6 p.m. to 6 a.m. despite one foot of water and odor definitely not Chanel No. 5.

British Airline Aims To Triple Operations

By Bert L. Marsh

MONTREAL, July 29.—(BUP)—Spokesmen for the dollar-starved, government-owned British Overseas Airways Corporation said today they expected to triple operations from Montreal and New York within eight months.

They set April 1950 as a tentative target date to which they would boost trans-Atlantic freight and passenger service to an all-time high but "we are now hard time high and draw a corresponding increase in fares."

Kenneth Marshall, BOAC's station manager here, said he was "solidly confident" that by April the airline, flying Constellation's and four Boeing Super Constellation's, would be serving the New York route, would be running "on time" at least three times higher than its doing right now.

REDUCED YEAR AOD

The airline suspended a major share of its operations and with fewer all but about 50 of its 100 personnel from Montreal. It was "solidly confident" that by April the airline, flying Constellation's and four Boeing Super Constellation's, would be serving the New York route, would be running "on time" at least three times higher than its doing right now.

Marshall said the dollar-weak-

Reserve Army Goes Modern

PITTSBURGH, Pa., July 28.—(AP)—A modern reserve army, being trained in modern warfare, is being trained in modern warfare.

At the huge military camp 90 miles west of Ottawa-Canada's largest summer resort, some 100,000 reserve troops will get practical training in 20 weeks.

Seven hundred reserve troops, including 20 tanks, other vehicles, carrying infantry, armored, and cavalry units, will get practical training in 20 weeks.

Reserve troops will get practical training in 20 weeks.

Fraulein Pining For GI Fiance

Pretty German Girl Offers Eyes To Join Dying Soldier

OBERRAMSTADT, Germany, July 29.—(UP)—A pretty German fraulein today offered both of her eyes or a year's free work as a dentist in return for passage to California to visit her GI fiance before he dies.

The heartbroken girl, 19, Elise Broekmann, said she had less than eight weeks to make the trip under the GI Fiance Act. She must get to the U.S. by Sept. 21, when her permission to leave Germany expires.

Her fiance, Charles Eller, 21, a former master sergeant, was reported in dispatches from "Freem" to be totally disabled from the effects of pneumonia and tuberculosis.

HIS EYES, TOO
Eller, longing for his German sweetheart, offered either one of his blue eyes to anyone who would help him bring her to Germany.

"No, No," the girl cried when she was told of Eller's offer. "Take my brown eyes instead."

As a secondary proposal, she offered to work as a dentist for a year without salary in return for passage to the U.S.

Eller, three years ago when he walked into her office and sat down in her chair to have a tooth fixed, was taken to U.S.

Their romance went on for two years. Last year Eller fell ill and was flown to the U.S. for hospitalization.

"His mother wrote me he is sinking very fast," Ly said. "Maybe I could have him for two years—maybe for just two months."

She wrote a brief note to cheer up her disabled fiance.

"Dear Charlie, Please do not let your blue eyes take mine. I am willing to give my brown eyes away. Keep hoping. Someone sure will help us."

PHONED TO U.S.
Last Christmas she said she saved 150 marks (\$45) and telephoned Eller at his hospital in the U.S. She herself was in a German hospital at the time.

She said Eller wrote her that he did not have enough money to pay for his passage to the U.S. but that he had enough for a third-class passage by ship.

She tried for a booking at the U.S. but found there was no passage to be had within the time limit.

Per capita consumption of eggs in the United States during 1947 was 360 or more than 26 per cent above the pre-war average.

Angry Gary Wives Hold Vice Crusade

GARY, Ind., July 26.—(UP)—About 100 Gary housewives, determined to rid the steel town of vice, paraded as pickets before 17 bawdy houses and booze joints today.

Despite the 90-degree heat, the women vowed to continue their picketing until lawless elements were driven from the city.

The pickets were members of the Women's Citizens Committee organized last spring when a school teacher, Mary Cheever, was slain in an alley.

PROSTITUTION
They contend that thieves, cut-throats and murderers have been attracted to the city by wide-open gambling and prostitution. They staged an all-out fight to clamp a lid on the city last spring but the campaign subsided after officials promised to clean up the city.

The women charge that the officials failed to do so.

"We decided Gary is not a closed town after all, despite our campaign, so the WCC is back in action again," said temporary chairman Mrs. Bussard.

The militant women wore simple sashes over their shoulders with the initials "WCC" emblazoned on them.

PICKET BROTHEL
Grey-haired social leaders trudged in a circle before one suspected brothel while the girls inside peeped at them from behind dingy lace curtains.

The campaign seemed to be having initial success. Few men braved the pickets staring eyes to enter the play spots or gambling houses.

The operators of the establishments were good humored about the campaign.

One poolhall owner, accused by the WCC of operating a bookie and poolhall, offered the pickets chairs and refreshments. They accepted. But they turned down his offer to come inside and enjoy the air conditioning.

U.N. Atom Commission To Await Big-5 Talks

LAKE SUCCESS, N.Y., July 29.—(UP)—The United Nations Atomic Energy Commission was slated to vote itself out of business today until the big five powers and Canada can agree on a basic plan for world atomic control.

The commission will vote on a resolution proposed by U.S. delegate Frederick H. Osborn, declaring:

"That the purpose of the Atomic Energy Commission is to ensure that the atomic energy is used for the benefit of mankind and not for the purpose of war."

Osborn, scheduled to vacation for a fortnight early in the big five, is an advisor to Hickerson, along with Gordon Arneson and Joseph Chas. who are in similar capacity with the U.S. commission to the U.N. delegation.

Osborn, who has headed the American atomic delegation since the late war, Bernard M. Baruch, who is chief of the atomic espionage unit, will not be in command of the Washington group at the interim talks.

U.S. EUROPE EXPERT
The American delegation to those talks, it was understood, will be led by John G. Hickerson, assistant secretary of state in charge of U.N. affairs. Hickerson, although an atomic expert, is familiar with the Russians and their method of negotiation through long experience.

U.S. EUROPE EXPERT
The American delegation to those talks, it was understood, will be led by John G. Hickerson, assistant secretary of state in charge of U.N. affairs. Hickerson, although an atomic expert, is familiar with the Russians and their method of negotiation through long experience.

U.S. EUROPE EXPERT
The American delegation to those talks, it was understood, will be led by John G. Hickerson, assistant secretary of state in charge of U.N. affairs. Hickerson, although an atomic expert, is familiar with the Russians and their method of negotiation through long experience.

Ford Co. Asks Suit Dismissal

NEW YORK, July 28.—AP—The Ford Motor Company Wednesday asked dismissal of a \$250,000 federal damage suit filed against it by Harry Ferguson, Inc.

Henry Ford II, president of the automobile firm, filed a \$250,000 answer and counterclaim to the suit which he called "one of the largest civil actions in history."

The answer denied Ferguson's claim that Ford infringed on patents in a companion to design the Ferguson tractor firm and since its business.

LONDON, July 28.—Reuters—Field Marshal Viscount Alexander, governor-general of Canada, left London last night for the B.C. plane for Canada after a five-day visit.

Time Out

By Dick Beddoes

PAYING SHERLOCK HOLMES
On this last Friday in the week Edmonton Eskimo football officials are investigating the possibilities of hiring a Sherlock Holmes to track down the sneak thief who stole Ralph Bartolini and Mel Aul one night recently.

That type of larceny should be enough to send a man to Fort Saskatchewan for two years, less a day. And if it continues it will wreck the Eskimo household.

There is some suspicion that the Eskimos engaged in a certain amount of raiding themselves to lure Aul and Bartolini away from the arms of the Hamilton Tigers. One of them, at least, is reported to have been signed to a Tiger contract when contacted by agent of the Edmontonians.

And before Mr. X could get his fingerprints removed from the escape of Messrs. Bartolini and Aul, pickup parties from the coast rustled the pair clean out of the Eskimo idyll.

All this muttering about legal proceedings to prevent Bartolini from playing with Ottawa Rough Riders and Aul from lining up with Hamilton is likely to go for naught.

They had signed Edmonton contracts it is true. But they were inked Canadian Rugby Union players, a commodity which Edmonton has not received to date.

And the C.R.U. an amateur body isn't likely to recognize the Edmonton contracts because they are of a professional nature.

LACK OF AUTHORITY
Lack of centralized authority may have been largely responsible for the Aul-Bartolini incident. At least two of the Eskimo executive are reported to have given Hamilton the green light to dicker with Ottawa without consulting the entire Edmonton organization.

Tipster of the matter was that the young players had accepted a \$200 per game offer from the Riders, thinking that he would have no trouble obtaining a release from Edmonton.

When he was denied the release he jumped his contract anyway. And Aul, for his part, proved himself a capable guard last fall, went along. His reason for leaving was simple. He was homesick.

All of which brings us up to this last Friday in the week. One thing is certain. Edmonton can't afford the expense entailed in a player war. The ante required to repel raiders would simply get too high for even our oil-polluted pocketbooks.

The ravages of competition for football talent are rampant in the American pro leagues. Players command such outlandish wages that Philadelphia Eagles, who won the U.S. pro football title last year, finished the season's operations \$75,000 in the red.

We can't afford to let that happen here.

THOUGHTS WHILE SHAVING
Turner has it that Edmonton Exhibition Association will definitely take that much-dreaded-but-nevertheless composite Junior A hockey team under its wing. And the betting is that Nares Rimmell will coach the club.

Add something else: Ontario will win the Dominion cricket tournament which winds up tomorrow in Calgary. Paddy Arnold will top the provincial ladies golf title at Highlands today. Vancouver North Shore United is a clinic in which Edmonton North Side Legion in Dominion Football Association playoffs at Clarke Stadium this weekend.

Whatever because of Joe Shostack?

Europe Gives U.S. Hunters The Bird

MADISON, Wis., July 26.—(AP)—Europe's largest game birds will be introduced into Wisconsin next month in an effort to provide American hunters with a better game bird. An initial shipment of six Capersville, 15-pound game birds, which are native to the Pyrenees in Siberia, is due to arrive at Minneapolis by air Aug. 1.

ENTERS SEMI-FINALS

Coast Junior Writes Amateur Golf History

SAINT JOHN, N.B., July 26.—(CP)—Laurie Roland, 16-year-old high school student from Vancouver, made golfing history yesterday by becoming the first junior ever to enter the semi-finals of the Canadian Amateur golf championships.

The Marine Drive club youngster, who is to become a professional and make the American pro circuit, joined a select band of the Canadian club and an outstanding American for today's 36-hole semi-finals over scenic Riverside Golf and Country Club.

With Roland were Tommy Riddell of Montreal, specialist in

FRANK AMBLER
... Vancouver's ace.

FRANK ASHDOWNE
... United's last defence.

TOM CUMMING
... Ninety minute man.

Collingwood Hiding Under Seat on Coast Special?

Vancouver North Shore United, British Columbia representatives in the Dominion soccer playdowns, are en route to Edmonton by rail.

United clash with the local North Side Legion combine in a three-game western Canada semi-final series, opener scheduled for Clarke Stadium Saturday at 7:00 p.m.

And anywhere along the way, as Uniteds make it over the mountains in their private railway car, it shouldn't surprise the team management to discover that Martin Collingwood, North Side Legion manager, is around and about keeping an eye on their activities.

At last account the impulsive Collingwood had borrowed a dodge from the football people and gone to scouting the Uniteds.

And the team, which was hidden under one of the seats, by now picking up an earful of United's planned strategy to go along with what he saw as the North Shore gang howled over Vancouver City in the B.C. final.

And it's possible that Collingwood saw plenty.

Whistler for the terrific battle B.C. All-Stars gave tonight New-castle a few weeks back, scores 1-0, following along the coast.

So the North Shore Uniteds are just in to prove tough nuts to crack.

At the same time supporters of the Legion will remember that Collingwood's aggregation, it's substantiated the same 12 months later, made it hot and heavy for the British Columbia representatives last year, before blowing out.

READY AND WILLING
Fresh from their conquest of Saskatchewan All-stars, centre Dave Gillings and the rest of the North Side Legion will be ready to shoot the works against the boys from the coast.

Just as Gillings generally is recognized as the Legion bell-cow, also as pivot Fred Whittaker looked upon as North Shore's mainstay.

Whittaker is a prolific goal-getter, as is Gillings, and the pair made an interesting duo last Sunday night and the start of the series.

Other outstanding "100's" stars on the roster of Uniteds include Dave Ambler, Trev Harvey, team-captain Tom Cumming and goalie Frank Ashdowne.

Uniteds have been preceded by a reputation for rugged, aggressive play rather than for being sedate in the classic style. Generally speaking they run to experienced ball manipulators rather than great operators.

Second game in the best-of-three series is set for Clarke Stadium Monday night if necessary, will be played Wednesday.

Alberta Cricket Squad Continues Unbeaten Pace

Jim Smart Leads Attack Against Manitoba Squad

CALGARY, July 26.—(CP)—Alberta's heavy-hitting All-Stars widened their lead in the Dominion cricket tournament yesterday, beating Manitoba while the defending champions from Ontario defeated British Columbia to take over second place.

Paced by Jim Smart, Calgary, who fell just short of a century with 96 runs, the Alberta team chalked up 253 runs for eight wickets declared. Manitoba scored 66, all out.

In the other match, British Columbia faded after a strong start to wind up with 91, all out. Allan Percival set the pace for Ontario with 43 and the other batters kept it up to finish the match with 90 for two wickets, winning by eight wickets.

Games left the standings: Alberta 17 points, Ontario 12, British Columbia 10, and Manitoba 6. Each team has two more games to play in the week-long, round-robin tournament.

Harry Milburn and Ralph Jones opened for Alberta. They put 70 runs on the board before Jones was caught behind the stumps by Ted Allan. He was replaced by Smart, who proved pivi-man in the Alberta batting.

END CAME QUICKLY
Ed Burn and Pete Charney were first batters for Manitoba. Burn hit the wicket after the pair had scored four runs.

Charney saw wickets fall for four other batters as he ran up an individual score of 29 to leave the count 84 when he was bowled by Maurice Grant on the sixth wicket.

End came rapidly after that as the next four wickets fell for only 12 runs.

British Columbia opened with Dr. D. R. S. Milne leading first with Pete Hobson for 33, and then with T. L. Brierley to run the count to 43 before Brierley was given out LBW with L. Bullen. Milne added three more before being caught by Allan & Gerrard.

A. S. Billi Hendy went in and kept up the pace with Bullen and later with W. G. Scott to run the score up to 76 for five wickets.

The B.C. team failed fast after that, losing four wickets for only five runs, and adding only 16 more before the tenth wicket fell.

ONTARIO GRAS VIN
Darby Loner, captain of the Ontario team, got only a single run before being retired LBW. But Allan Percival teamed with Low Gunn to ring up 60 before the second wicket fell when Percival was bowled by Hendy.

Allan Gerrard kept up the blistering pace with Gunn in a single "over," he smashed out four boundaries that were good for six and two for four. Only 12 of the runs showed on the official score sheet as they were enough to give the victory by eight wickets.

Approximately two-thirds of the polished glass produced in the United States finds its way into the automobile industry.

Men To Bowl
The Royal Lawn Bowling Club will hold a men's open rink competition at the club greens Monday, commencing at 9:30 a.m. Entries close Saturday at 6 p.m.

EDMONTON BULLETIN, Friday, July 29, 1949

GRIPPING STORY is told Dino Restelli, right, pretty handy with bat himself, by Ralph Kiner, Pittsburgh's home-run king. Restelli admires batting grip. Kiner is well ahead of his homer pace of two years ago when he tied Giants' Johnny Mize with 51. He has 27 to date.

Gordon Powers Giants' 8-6 Win

NEW YORK, July 29.—(CP)—New York Giants' Sid Gordon came through in the clutch yesterday and belted his 20th home run of the season in the deal.

National League third-basemen pulled Giants to an 8-6 victory over Pittsburgh Pirates when he connected for a two-run homer off Harry Gumbert, recently purchased from Cincinnati.

But Gordon's game-winning effort still left Giants in fourth place—10 games behind leading St. Louis Cardinals.

Meanwhile Cardinals made it three straight over Philadelphia Phillies with a 16-1 assault to score a 16-2 victory and maintain their 1½-game lead over the second-place Brooklyn Dodgers.

Dodgers gained a 7-1 victory over Chicago Cubs. Boston Braves walloped Cincinnati Reds 11-2.

In three American league games leading New York Yankees went four games ahead of Cleveland Indians when they defeated in.

Braves were paced by pitcher Warren Spahn, who coasted to his 12th mound victory. He gave up six hits. Bob Elliott of the Braves drove in two runs with his fourth homer of the season.

THAT SHE BLOWS—and a spinmaker at that. Yawl Rubaivat, out of Chicago, got in this embarrassing situation on Lake Michigan when big light sail came adrift during race to Makinac. Crew member aloft on main-mast is trying to cut spinmaker free.

Coast Swimmers 'Splash' Spotlight

VANCOUVER, July 29.—(CP)—Pete Salmon of Victoria, and Irene Strong, Vancouver, practically assured themselves of berths on Canada's team to the Empire Games with dazzling performances in the swim trials which ended here last night.

Only the women's diving remains to be run off today.

The 20-year-old Victoria boy, a student at the University of Washington, swept all before him yesterday. Salmon set a Canadian record in his first heat of the 100-yard backstroke event, clocking 1:02.5.

The bespectacled young Olympic swimmer went on to win the first of a late bid from Vancouver's 18-year-old Olympic star, Kay McNamee.

Winning girl's win drew a great ovation from the 1,000 spectators at Crystal Pool.

Major surprise of this event was the defeat of 19-year-old Viroi King, Winnipeg.

She won her first heat clocking 1:04.1, but faded badly in the final, being beaten by McNamee.

Lucien Beaumont, Quebec, tested Salmon in the 100 yards backstroke final. Salmon who broke the old Canadian record in the heat, just managed to capture it.

Mingie timed 1:05.1 for second, with Beaumont registering 1:06. The fast-paced Quebec swimmer, a favorite with the crowd, beat himself in contention for a place on the Canadian team with his fine performance.

STILL UNBEATEN
Tomorrow's 15-year-old Fred Smith capped his unbeaten performances in the junior bracket with a final victory in the 100 yards backstroke. The slim eastern swimmer left his opposition far behind in winning with a time of 1:08.

Smith later withdrew from the 150 yards freestyle event, his grueling distance race of the trials.

Jim Portlance's 100 yards backstroke from Ontario, failed to last night, the 60 lengths in better Winnipeg's George Bevan in the stretch.

BUTTS GUMBERT
Pittsburgh, July 29.—(CP)—Veteran relief pitcher Harry Gumbert was purchased Wednesday by Pittsburgh Pirates from Cincinnati Reds. To make room for him, Pirates placed first baseman Eddie Stevens in the disabled list.

Harmsworth Speed Race Starts Today

DETROIT, July 29.—(AP)—A lot of speedboat records should fall today at competition for the famed Harmsworth trophy in the annual Detroit race, which began after a lapse of 16 years.

Seeking to lift the trophy is a Miss Canada IV. Craft is owned by E. A. Wilson, Ingersoll, Ont., and will be driven by his son, Harold. Defending the trophy, which Gar Wood first won in 1920 and last defended in 1932, will be three United States speedsters.

Defenders are R. Stanley Doherty's Skip-a-long, Lake Tahoe Yacht club, Calif.; Jack Schaefer's Buck Crusier I and Horace E. Dodge's My Sweetie, the latter two entered from the Detroit Yacht club.

Harmsworth record speed was made in 1931 by an English challenger, Kaye Don, when he negotiated a single lap at a speed of better than 90 miles an hour.

Interest in Probable speed marks

Singer's Brother Combine Poison to Fastball Batters

Singers of the Senior Men's Fastball league have come up with a family pitching staff equal to any in the circuit.

The Milne brothers—Jim rotating basis with disastrous last night at Kingsway ball park. Singers stopped league-leading Precision with a 4-0 shut-out. Fred Milne held the machinemen to five scattered hits.

GET TO ON STRIKES
His control was good, walking only one man while claiming 10 on strikeouts. Only Cee Houlahan was able to count for a solid hit, the left-fielder slugging a triple in the sixth inning. Singers played perfect ball in the field, while the losers made three miscues, all in the fifth frame.

Bill Onyschuk started on the mound for Precision, leaving after the third inning when Singers got three runs on two hits and a walk.

In the opener umpires called the game after five innings with Anavets holding a 12-2 advantage over Sparling-Davis. Anavets started in the first inning with three runs on an equal number of hits.

As it turned out, the first frame was just a warm-up. Thirteen men went up the injured list during an eight-run outburst. Phil Butler was tagged with the loss, giving up 11 runs and 10 hits in his first three-inning stay.

Tonight, Mortons will meet South Side in a senior ladies' game. Legions play Singers in the nightcap.

Sparling-Davis . . . 811 66-2-3-1
Anavets . . . 280 10-12-1-1
Butler, Orr (2) and Stewart; Wick-
ins, Kowalski . . . 000 00-0-2-2
Precision . . . 000 00-0-2-2
Singers . . . 000 10-5-2-2
Mortons and Milne . . . 2-2-2

McCosky May Never Play Again
PHILADELPHIA, July 29.—(AP)—William (Barney) McCosky, Philadelphia Athletics regular left fielder in 1944-45, has returned to his home in Dearborn, Mich.

The back ailment which put McCosky out last season has not responded to treatment. He may never play again.

McCosky had a batting average of .320 for the seven years he played with Detroit Tigers and the Athletics.

Coast Juniors Lose In Net Play
OTTAWA, July 29.—(CP)—Pacific Coast entries were beaten yesterday's play at the eighth junior tennis championships.

In the men's doubles, team of Paul Wiley, Vancouver, and Peter Constable, Montreal, were beaten by Raymond Page of Montreal, and Andrew De Chavigny, Quebec, 6-2, 6-0.

In the women's doubles the Atlantic-Pacific combination of Barbara Wood, Vancouver, and Alice Roper, Halifax, was eliminated 6-2, 6-2 by the Ottawa team of Miriam Baskin and Joyce Felix.

Wood is seeded second in the singles.

Edmonton-Owned Viroi Harar 2nd
VANCOUVER, July 29.—(CP)—Hartson, a four-year-old brown colt, won another easy victory yesterday at Exhibition Park, taking the \$1,200 Maritime allowance in an easy three lengths over the Edmonton-owned Viroi Harar.

Ridden by veteran jockey Bobby Summers, Harar won under a snug hold to the final three eighths and then moved to the top of the back stretch. Viroi Harar's first loss this season in six starts.

An oddson favorite with the punters, Harar returned only \$2.95 to win.

Mutuel upset occurred in the fourth when Overcast at 10-1, a half-length triumph to pay \$21.30, \$6.50 and \$3.45.

B.C. Magistrate To Decide Gas Sale Test Case
VANCOUVER, July 29.—(CP)—Magistrate Oscar Orr Tuesday will rule on a decision in the second illegal gasoline sales case against a Vancouver garage.

The firm faces a charge of selling gasoline after seven p.m. It is regarded as a test case to see if stations may be permitted to remain open after that hour.

Last week a supreme court judgment was handed down against the firm for selling gasoline on Sundays. It was also a test case, and hinged on interpretation of a section of the Lord's Day Act. Since then the court has decided that 62 Vancouver stations may stay open on Sunday.

These reports lacked official confirmation. The Wilson's would not say about them. They said only that they hope to make a race of it.

Miss Canada IV was given a brief run on the Detroit river yesterday. Wilson made no attempt at speed, merely seeking to familiarize himself with the course.

'Sad Sam' Zoldak Sadder Than Ever

NEW YORK, July 29.—(UP)—In the plight of Sad Sam Zoldak.

The Cleveland pitcher had never hit a home run in the major leagues. Wednesday he took just an average out in the third inning of the Yankees game, and in and behold, the ball soared out of the park.

So what happens? A cloud-burst cancelled out the game after the fourth inning, washing the homer out of the record books.

Country Club Tourney Opens Saturday
Qualifying round of the Edmonton Country Club championship will be run off Saturday afternoon starting at 12:35 o'clock.

A field of 42 have already entered the tourney, but members who have not been drawn and wish to play can report to the starter.

Following is the draw:
12:35 a.m.—John Doves, A. Doves, E. Doves

RCAF, Texaco Score Easy Wins

RCAF and Texaco Oilers scored easy Senior B baseball victories last night. Oilers had the easier time, defeating South Side by default.

And RCAF had it a shade tougher to whitewash Ukrainian Canadian Canucks 14-0 at Clarke Stadium.

Resky and Ruckenechuk wielded the big bats for the Oilers. The former cracked a triple in the first with the bases loaded, while Ruckenechuk delivered a double in the same inning.

RCAF . . . 701 06-14 8 0
Canucks . . . 000 00-0 3 3
Yankees . . . 000 00-0 3 3
Elliott (2), and Ruppini.

Boyle Street Cops Final Series Opener
Boyle Street whipped Highlands 19-16 in the first game of the Community League intermediate girls' football final played at Clarke Stadium last night.

Heiten Wenzak packed the punch at the plate for Boyle Street, socking a home run with two on in the fourth inning.

Second game of the best-of-three series will be played at Clarke Stadium Tuesday night.

Boyle Street . . . 411 42-15 14 7
Highlands . . . 289 21-19 8 8
Griggs and Latane; Morgan and Kelly.

Finals of provincial tournament at Highlands.

Now we know! Kellogg's Bran Flakes are fresher!

Guaranteed Fresher!

Now! Bran-New! Crisper and Taster Than Ever!

YOU'RE GLAD you changed to Kellogg's Bran Flakes. Toast-crisp in milk. Fresher, we guarantee it. . .

TRY THEM AT NO RISK. If Kellogg's aren't fresher than other bran flakes, send empty carton to Kellogg's, Dept. 1, London, Ont., for double your money back!

MILDLY LAXATIVE. Contains enough bran to help regularly, many folks find! Try them.

MOTHER KNOWS A BEST!

Birthday Greetings

Flowering Dogwood Trees Are Very Spectacular

Birthdays are a time to remember the people who have made our lives what it is today. It is a time to look back on the years that have passed and to wish for a bright future ahead. It is a time to celebrate the life of a loved one and to share our happiness with them.

Agree On Rules

When you are planning a birthday party, it is important to agree on the rules beforehand. This will help to avoid any misunderstandings or disagreements during the party. Make sure everyone knows what is expected of them and that they are all having fun.

Plot Charges Amuse Premier Smallwood

ST. ALBANS, N.H., July 29.—Premier Smallwood today was amused by a plot about confederation between Canada and the United States which was described as "priceless entertainment."

Chinese Reds Badger U.S. Consul Staff

WASHINGTON, July 29.—The United States government today announced that it had ordered the removal of a Chinese consul from the United States because of his alleged involvement in the activities of the Chinese Reds.

Inside Hollywood

By Bob Thomas
The movie industry is well known for its ability to produce a "bump" on the screen. For those not familiar with such things, a "bump" is a sudden increase in the number of moviegoers.

Vermilion Fair Stresses Danger Of Soil Erosion

Educational Program Helps Farmers Visiting Exhibition

By Jim McCurdy
Business Staff Reporter

VERMILION, July 29.—One of the main considerations of the annual fair at Vermilion was the danger of soil erosion.

Care of the land to provide for better and better harvests is stressed in several displays and in the exhibit of films being shown by the National Film Board.

COMBAT WEEDS

George Rowe Dies

ROWE, July 29.—George Rowe was received by relatives of the death of George Rowe, 48, in California.

GEORGE ROWE

These two young boys were seen at the fair.

Mr. Rowe was raised in the district where he now resides.

Lloyd Fair Ends On Wet Note, Too

LLOYD, July 29.—Lloyd fair ended on a wet note and a note of disappointment.

The fair was held at Lloyd, Alberta, and was attended by many people.
